

REMOVAL.—The office of the Jeffersonville Railroad Company has been removed to No. 562, Main street, between Second and Third, immediately opposite the old stand.

THE GREATEST PRESERVATIVE OF BEAUTY known to modern science, is Professor Wood's Hair Restorative and Cosmetic. Among the most important features of female beauty, is a luxuriant head of hair and a fine complexion, both of which should be guarded as a sacred treasure, for they may be lost by neglect, or preserved by the use of the above named article; delay is dangerous. To be had of the agents at 74 Fourth street.

On the score of economy Dr. Urban's Inebriate's Hope at \$1.50 a package is much cheaper than whiskey at \$1.00 a gallon; for he who drinks a gallon of whiskey always wants more, while he who uses a package of the Hope wants neither more nor whiskey again. Sent by mail for \$1.50. Raymond & Patten are the agents No. 74 Fourth street.

FANCY AND STAPLE DRY GOODS.—We would respectfully invite the attention of persons, especially ladies, to our stock of black and fancy silks, embroideries and lace goods. A large stock of embroidered crapes for evening, plain calicoes, muslins, merinos, velvet and cloth cloaks, shawls, plain and striped valencines, which we are offering very low. We have a large stock of wool, ballad and shaker flannel, linen table damask, napkins, towels, Irish linen, bleached sheeting, bleached cottons, best brand, which we are offering as low as they can be found in this or any other Western market.

G. R. TABB,
Corner Fourth and Market streets.

If you want a fine likeness of yourself go to Housley & Co.'s National Picture Gallery, 98 Fourth street, between Market and Jefferson, over Talbot's variety store, and get one of those beautiful glass pictures, which for beauty and fidelity of features, expression and drapery, far surpasses any other kind of pictures. Dark drapery produces a more pleasing effect on either children or adults. Dull weather is preferable to bright, except for small children. Children can be taken without fail, in from two to eight seconds.

Prices from \$1.00 to \$15.00.

NEW ALBANY & SALEM RAILROAD.—Direct to St. Louis and Chicago. This road is the speediest route to Chicago and the Northwest. Passengers leave the depot at New Albany at 12 M. and arrive at Chicago at 7 o'clock the following morning. This train connects at Terre Haute with the St. Louis and Chicago trains and with all the trains leaving Chicago in every direction. The road is a capital conductor and recently a number of splendid passenger cars have been put on it. An omnibus will call in any part of this city for passengers and deliver them at the depot in New Albany free of charge. This road is one of the best in the country and its management could be no better. It is the cheapest and most expeditious route to Chicago, St. Louis and the Northwest. It makes direct connection with all roads for all points East, West, and South.

For tickets or information apply at the office, Main street opposite the Galt House.

WE CAN NOW FILL ALL ORDERS FOR:
S. C. Dry Beef,
S. C. Ham,
S. C. Shoulders,
Clear Sides,
Bologna,
Pig Tongues,
Pig Feet, (soused) in kegs and barrels,
Hog Tongues, smoked and in salt,
Veal Hams,
No. 466 Market street, north side, between Third and Fourth.

JNO. F. GUNKEL CO.
Old and young are now indiscriminately using Prof. Wood's Hair Restorative; some as a cosmetic or beautifier of the complexion, some to prevent the hair falling, some as a dressing for the hair, and others to make it grow and to change gray hair to the original color; and there is no doubt of its answering all the purposes for which it was designed by its illustrious inventor—Raymond & Patten are the agents.

PLAIN AS THE NOSE ON A FACE.—Webster's Gallery is resorted to for pictures on account of the superiority of their work, and the beautiful variety of cases, frames, lockets, medallions, brooches, charms, etc., suitable for glass pictures, the kind for holiday presents.

LABOR GIFT SALE.—Over ten thousand persons have used Porter's Oriental Liniment during the present winter for the cure of frost bites. No remedy in the world ever gave so general satisfaction. In no instance has it failed to effect a cure, when used according to directions. It is sold at the low price of twenty-five cents per bottle, and any purchaser that gets a bottle at the principal depot in this city, receives a free gift worth from ten cents to fifty dollars; and in addition to the above gifts the person that buys the largest number of bottles at retail each will receive five dollars in gold coin. The person that buys the second largest number will receive a pair of gold ear rings. The third largest number will receive a book worth \$1.50.

Remember the place, 96 third street, near the Postoffice.

FOR CHAPS.—Persons troubled with roughness of the skin can find nothing superior to the Ammonia and Glycerine Cream, one of a preventive, the other as a cure. They are for sale at 74, Fourth street, opposite the National Hotel.

DR. A. S. WEAVER has turned his attention for years to each disease as Canker, Erysipelas, Scalds, and so on, and he is happy to say that his researches have resulted in great benefit to those afflicted with such diseases. The Canker and Salt Rheum Syrup, with the Ointment, will be found the most certain and speedy cure ever offered in this country. The reputation his medicine has acquired, the certainty of cure whenever it is used, induces us to urge upon all the necessity of playing particular attention to this subject.

These medicines are sold by Stewart, Miller & Co., Louisville, Ky.; Hoover, Riley & Ruddle, New Albany, Ind.; J. N. Harris & Co., Cincinnati, Ohio.

DR. BELL'S OPINION OF HOSTETTER'S BITTERS.—St. Louis, Mo., April 14, 1886.—Some months since, while recovering from an attack of Remittent Fever, I was requested to try Hostetter's Bitters, as an article peculiarly suited to the condition of convalescents from fever. It is but simple justice to say that it restored me to health, and we are happy to learn that the same kept my bowels gently open. I have no hesitation in saying, that, hitherto, in using it in my practice, it has, in every case where I have ordered it, acted like a charm. In this speaking freely of it, I fear from puff patient medicine, an article it by no means claims to be.

SANFORD BELL, M. D.
Sold by druggists and general grocers.

In Padlock's Book of Plagues and Illustrations of Diseases for 1886, he says: "Hostetter's Bitters are really what their name implies, a tonic and gentle stimulant, calculated to act upon the system as a medicine, and not as too often the case, a mere invention of those who indulge in tippling. We would not venture to make this statement, did we not feel sure that it would be corroborated by the willing testimony of thousands all over the United States, and especially throughout the western and southern parts, where certain disorders prevail, which require just such a prescription."

Also General Agents for the sale of Dr. WEAVER'S CREAM AND SALT RHEUM SYRUP AND OINTMENT.

SPECIAL NOTICES

GRAT RUSSIAN REMEDY.
PRO DOMO PUBLICO.
"Every mother should have a box in her house handy in case of accidents to the children. It is a Boston remedy of thirty years' standing, and is recommended by physicians. It is a head of hair and a fine complexion, both of which should be guarded as a sacred treasure, for they may be lost by neglect, or preserved by the use of the above named article; delay is dangerous. To be had of the agents at 74 Fourth street.

DR. ROBERT'S SCANDINAVIAN REMEDIES.—In directing the attention of our readers to Dr. Robert's Scandinavian Remedies, we have to say, that all his claims for his medicines is confirmed by certificates from all parts of the West. The language of these certificates is so earnest and grateful, and the success of his medicines is so certain, that it would be folly to question the restorative properties of the preparations. It appears that while hitherto among his patients, most of them have been, during a visit to our country, some years ago, he collected a large quantity of rare medicinal herbs, unknown in this country, and by combining the liquids and the extracts of these powerful medicinal plants, he has succeeded in producing his celebrated Blood Purifier and Blood Pills, which are said to exercise a more beneficial effect upon the blood of the human body than any other medicine. Dr. Robert's theory is that all diseases originate in the blood, and it would seem that the rapid recovery of his patients, under a course of these disinfectants, would seem to confirm his theory. His pathology is correct. Certain it is that the celebrity of his medicines increases daily, and that he has authentic proofs of their success in his possession. See advertisement.
